

K-Love Radio is a constant joy to me as a resident of Danville, Kentucky. In no way do we want K-LOVE to be displaced by an LPFM station locally. K-LOVE Radio is supports wholesome values and has a positive and encouraging impact on communities all across America. It is message driven and we are supporters of it for the positive impact it has on all listeners. We do not want to lose the family friendly programming we enjoy on K-LOVE to be replaced by an LPFM.
